Stunning Family Home! Welcome to this beautifully maintained and recently updated 2-storey with just over 3100 square feet of total living space, a double attached garage with large parking pad in the front, plus an RV / extra parking pad in the rear yard off the alley. The home has just underwent many improvements including a new roof, siding and eaves, stunning Real Hardwood Floors throughout, freshly painted main and upper floors, designer built-ins around the family room fireplace and wainscotting details added thru-out the mainfloor, several kitchen updates including new floors and built-in seating at the kitchen nook, some new windows plus much more! The mainfloor layout is ideal with the kitchen off the back leading to the deck and a front formal dining and living room that offer a perfect blend of comfort, functionality, and style that should be on the cover of a magazine! The Main Floor Laundry and mudroom off the garage complete this well-appointed level. The upper floor has been remodelled to improve it's every day use and will be appreciated by the next family, as now the primary bedroom features a large walk-in closet plus a full ensuite bathroom. There are 2 additional large bedrooms, another updated bathroom and the newly created Home Office offers a great private work space or if your family is growing it will be a perfect nursery. The basement is fully finished with an additional bedroom, full bathroom, plenty of storage and includes an awesome Wet Bar in the rec room – perfect for entertaining guests and watching the game, plus a Workout Area to stay fit without leaving home. The brand new muti-level deck and privacy wall make the outdoor area a true retreat, including the Hot Tub area for ultimate relaxation after a long day. The new storage shed, gazebo area and beautifully landscaped front and back make this home truly Move-In Ready,
