Welcome to this well-sized 1 bedroom, 1 bathroom apartment offering 756 sqft. of functional living space and comes complete with heated underground parking and a storage locker! The open concept layout includes a bright living area with large windows and sliding glass doors that lead to a private covered patio ideal for relaxing or entertaining. The kitchen features a good amount of cabinetry, a double sink, and a practical layout that opens to the dining and living space, making it easy to cook and connect. The bedroom is spacious and bright with a large window, and the full 4-piece bathroom includes a tub/shower combo and extended vanity. Additional highlights include in-suite laundry with extra storage space and a flexible floor plan that offers excellent potential for updates and personal touches. Whether you're a first-time buyer, downsizer, or investor, this unit is a solid opportunity in a convenient location for the best price.
