Welcome home to #3310 in Legacy park! This beautiful 1-bedroom plus den unit has loads of upgrades including quartz countertops, built-in A/C, underground parking(TITLED), storage unit, stainless steel appliances, and much more. The well-appointed modern kitchen has loads of cabinet space and a large island with a breakfast bar that's ideal for hosting friends and family that are gathered in the open living room. You will absolutely love the balcony on those nice summer days and when you are ready to pack it in for the day the roomy primary bedroom is waiting for you and is big enough to fit a King sized bed and features a walk-through closet into the 4 piece bathroom. On top of everything in the unit you are close to shopping areas, schools, parks and there is a pond across the street. Book your showing quickly because this unit won't stay on the market long!
