Welcome to the Denali 4 – Where Luxury Meets Function! Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing that may be eligible for up to 25% mortgage insurance savings, plus an electric car charger rough-in, it’s designed for sustainable, future-forward living. Featuring a smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub. This stunning home features a kitchen with stainless steel appliances, chimney hood fan and a spice kitchen with a gas range. Enjoy a main floor bedroom with full bath, plus a side entrance and 9' basement ceilings for future potential. Relax in the 5-piece ensuite with dual sinks, soaker tub, and tiled shower with barn-style glass door. Extras include an electric fireplace with wall tile, vaulted bonus room ceiling, quartz countertops and a rear 11'6" x 10' deck on a large corner lot facing a park. Extra windows throughout complete the package! Stainless Steel Washer and Dryer and Open Roller Blinds provided by Sterling Homes Calgary at no extra cost! \$2,500 landscaping credit is also provided by Sterling Homes Calgary.
