Prior to entering, you will love the low to no-maintenance landscaping, professionally done with the extra touch: walking stones, fully fenced, Dog run, perennials all together make for stunning curb appeal! The Main floor is very open, with tile flooring as you enter, then LVP throughout the Livingroom, Kitchen and Dining area. The Living Room has a stunning yet simple feature wall surrounding the Fireplace and attached TV with Tile surround, that then leads into the WOW kitchen with large Quartz c-top Island, light gray cabinetry with lots of storage! Stainless steel appliances, oversized pantry make this kitchen very functional! Select antique lighting package with ceiling fans round out this great look and feel! Central AC also adds to the overall feel, custom blinds that are top down, can allow light or black out for those movie watching moments! Look out to the great yard, with full width deck, gate for the dog, large grass area that is still large enough for a trampoline if desired! Perennial bed as well, such a well-rounded package, located against the oversized Double Detached garage with a wide paved lane.
