OPEN HOUSE - SAT - SEP 27, 2-4 PM -Tucked into one of Altadore's most established tree-lined streets, this modern, four-level residence delivers a rare combination: refined design, spatial flexibility, and thoughtful separation of private and shared spaces—ideal for growing families with teens or multigenerational needs. Clean architectural lines, a low-maintenance exterior, and a brick-framed entry hint at the interior's elevated material palette and intentional flow. Inside, the main level opens into a bright, linear layout anchored by a sculptural quartz island, ceiling-height custom millwork, and professional-grade appliances, perfect for weekday function or weekend entertaining. Oversized sliding doors connect the interior seamlessly to a private backyard, while warm oak tones and minimalist detailing carry throughout. Up one level, the second floor offers two well-separated bedrooms, a charming open library or study nook, and a fully equipped laundry room with brand new washer and dryer. This layout creates just the right balance of privacy and proximity for teens or visiting family. The third floor is a true architectural moment—a full-floor owner's suite with a private terrace with stunning views, wet bar, and a luxuriously understated ensuite featuring a glass-enclosed steam shower, freestanding tub, radiant in-floor heat, and daylit walk-in closet. The separation from the other bedrooms gives this level a rare sense of retreat. The fully developed lower level includes a fourth bedroom with walk-in closet, a full bath, home gym or office space, and a flexible media room with integrated wet bar— ideal for movie nights, gaming, or hosting. Additional highlights include roughed in A/C, a finished, insulated double garage, and excellent walkability to River Park, local schools, Marda Loop amenities, transit routes, and off-leash trails.
