THE MAJOR TICKET ITEMS ON THIS HOME HAVE BEEN UPGRADED with a high efficiency furnace, new kitchen appliances, roof (2020), vinyl windows, new blinds, new flooring throughout and the home has been freshly painted. The main level greets you with a large living room with a wood burning fireplace that flows seamlessly into the dining room and kitchen and down the hall you'll find three good sized bedrooms and 2 full bathrooms. The primary bedroom is large enough to easily fit a king sized bed and the 3 piece ensuite bathroom has recently had a face lift, including newly installed shower glass. The 4 piece upstairs full bathroom is conveniently located across from the 2nd and 3rd bedrooms. Step outside to the large deck (new top deck boards) to enjoy the sprawling backyard - it's incredibly hard to find a lot like this! The developed basement with brand new carpet and fresh paint features another full bathroom, the 4th bedroom with a large closet, laundry/utility room and an open concept family room with a great layout that is perfect as an exercise space, an office, entertaining, movie nights or hobbies. It's refreshing to see a bungalow in such pristine condition with an oversized garage and with such a large corner lot at this price point!
