Welcome to 223 Aspen Ridge Place SW, an executive custom-built home where luxury and functionality meet in one of Calgary's most prestigious communities. Featuring over 5,000 sq. ft. of refined living space, this property impresses with soaring 10-ft ceilings, Hickory hardwood floors, and a chef-inspired kitchen with Wolf and Sub-Zero appliances, including a commercial-quality make-up air unit, a large island with two Sub-Zero built-in dishwashers for added convenience, and custom cabinetry. The main floor offers elegant entertaining spaces, a private office with a double-sided fireplace, and a west-facing deck with a Suncoast powered pergola and screened room with built in heaters for year-round enjoyment. Upstairs, the grand primary suite includes a private balcony with mountain views, a spa-inspired ensuite with a steam shower, and walk-in closet. Two additional bedrooms with walk-through closets and private ensuites, and a spacious bonus room that completes the upper level. The walk-out basement is designed for entertaining, with a full wet bar including a beverage cooler and dishwasher. Home theater system with 120" screen and surround sound, fitness room, and guest/nanny suite with walk-in closet and separate 3-piece ensuite. A heated triple garage with epoxy floors and floor drains adds practicality to this showpiece home. Located in Aspen Ridge, you're minutes from boutique shopping, top schools, fine dining, and scenic parks. This is a rare opportunity to own a home that blends elegance, comfort, and modern convenience. Showings begin on September 17th 2025
