Welcome to the Valmore 4 – a bright, stylish home with thoughtful details throughout. Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. Energy efficient and smart home features, plus moving concierge services included in each home. The executive kitchen features built-in stainless steel appliances and a gas cooktop. It also includes a fridge with water and ice dispenser, a walk-in pantry, and a waterfall island edge. Pendant lighting above the island adds a stylish finishing touch. The great room is warmed by an electric fireplace, and the home is flooded with natural light from many windows. Upstairs, enjoy a luxurious 5-piece ensuite with soaker tub, walk-in shower, and tile flooring in all bathrooms. Finished with paint grade railing and elegant iron spindles for a modern touch. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing that can may be eligible for up to 25% mortgage insurance savings, plus an electric car charger rough-in, it’s designed for sustainable, future-forward living. Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub.
