This home offers a versatile and spacious layout with double primary bedrooms upstairs, each featuring its own private ensuite for added comfort and privacy. The main floor boasts an open-concept design, with a large kitchen that includes a pantry, kitchen island, and ample counter space—perfect for cooking and entertaining and the stainless steel appliances add a modern touch. The west-facing deck off the kitchen is ideal for outdoor relaxation. The basement is finished, offering two bedrooms and a bathroom. Just add a few finishing touches to make the basement fully functional. The double car garage provides extra convenience and has a Telsa charger. The exterior of this home has all been replaced, roof, siding and trim in 2022. New A/C installed 2025. The house is freshly painted. Newer carpets installed.
