Welcome to this charming 2-storey corner unit with a fully finished basement, on a quiet street in Killarney, thoughtfully updated both inside and out. Step into a bright west-facing main level with new paint, carpet, baseboards, and patio doors (2020). This updated kitchen has brand-new appliances (2025) and the living room features an updated hearth (2016) for the wood fireplace. Upstairs, this home has a newly renovated bathroom with a subway tile surround (2021). The basement adds extra living space with stylish shiplap walls (2021) leading into the 3rd bedroom and updated bathroom. Need more? This home even has central A/C (2018). Outside, enjoy peace of mind with major upgrades, including a new roof (2023) and cement walkways (2025). With only ten units, the owners share a community garden to share, with a mentality that if you work together to contribute to the community, it will make it better for everyone. Also, front landscaping plans (\$20,000) have recently been approved with projected construction starting this fall (see concept designs in photos). Located within walking distance to the Westbook C-Train Station, Killarney Aquatic & Recreation Centre and the fenced Killarney Off-Leash Dog Park, this home offers comfort, updates, and community living in one of Calgary's most desirable neighbourhoods.
