From the moment you arrive, the inviting curb appeal sets the stage for what awaits inside. Step into a spacious foyer with direct access to a bright home office/flex room, perfect for remote work or hobbies. The open-concept layout across the rear of the home is designed for both everyday living and entertaining. The kitchen features a large island and corner pantry—ideal for the family chef—while the adjoining dining area easily accommodates everything from quiet dinners to larger gatherings. A rear door leads to a sunny two-level south deck and lower patio, extending your living space outdoors. The living room is filled with natural light from expansive windows and anchored by a cozy gas fireplace, creating a warm and welcoming atmosphere. Everyday convenience is built in with a main-floor laundry and mudroom. Upstairs, a versatile loft provides the perfect spot for a playroom, home office, or lounge. Three well-appointed bedrooms complete the upper level, including a spacious primary suite with a walk-in closet, soaker tub, and separate shower. The lower level offers plenty of potential for a future development tailored to your family’s needs. The front exterior of the home was re-done after the 2014 hailstorm, and with an additional 2” Styrofoam insulation in the exterior walls, as well as a new high efficiency furnace installed in 2024, this makes for a very energy efficient home. All of this is located on a quiet street in the heart of Sagewood, just a short walk to schools, canals, walking/biking paths, soccer fields, and outdoor skating rinks.
