Step inside to find a bright, spacious layout with radiant in-floor heating (no carpet!) and an inviting open concept floor plan, ideal for entertaining. The kitchen is a standout, offering granite countertops, ample storage, a large island with eating bar, and stainless steel appliances. A cozy gas fireplace warms the living room, which opens onto a balcony perfect for morning coffee, container gardening, and even catching a glimpse of Princes Island fireworks on special occasions. The primary bedroom includes a walk-through closet leading to a 4-piece ensuite. The versatile den works perfectly as a home office or guest space. Additional features include newer A/C, in-suite laundry, titled underground parking, a storage locker, and pet-friendly bylaws, a rare find. The location is unbeatable: Riley Park is just across the street, the C-Train, grocery store, bank, and local shops are all within a 5-minute walk, and downtown is only 10–15 minutes on foot or a quick bike ride away via the dedicated bike lane right outside your door.
