--------------------	-----

Located on a quiet street in Panorama Hills, this 2-storey home offers a functional layout with five bedrooms plus an upper office and a fully finished basement with a side entrance. The main floor stands out with a larger kitchen than many homes in this price range, offering an induction cooktop, plenty of counter space, a pantry, and a dining area that opens directly to the backyard deck. The living area is open and comfortable with a fireplace, and the main floor also includes laundry and a half bathroom. Upstairs, the primary bedroom features a walk-in closet and 4-piece ensuite, along with three additional bedrooms and a full bathroom, plus a dedicated office for work or study. The fully finished basement adds a large rec room, a fifth bedroom, a full bathroom, storage, and a convenient separate side entrance. The backyard includes a deck and the home has an attached front garage. Close to schools, shopping, parks, and commuter routes, this home offers space, flexibility, and a great family-focused layout. Come see the potential it offers.
