Fully upgraded and lovingly maintained, this home features NINE foot ceilings (main floor), quartz countertops throughout and a side entry to the fully developed basement which features a cozy family room with wet bar, a den/office, a bedroom, 4-piece bathroom and could be easily modified to make a fully self-contained suite (as always, a Suite would be subject to approvals and permitting by the municipality). You will love the open concept main floor plan. Upstairs, the master bedroom has a spacious ensuite, walk in closet and the additional bedrooms are big enough for your growing family. The home features a SOLAR energy system and CENTRAL A/C! The sunny SOUTH-facing deck and back yard rounds out this perfect home. Enjoy the convenience of your OVERSIZED detached double garage featuring HEAT AND COOLING and a separate panel. Located in Airdrie's desirable South end, you're just STEPS from Northcott Prairie School, parks, tennis and basketball courts, and an off-leash dog park. Quick access to Calgary makes commuting simple, while everything you need is right at your doorstep.
