Bright and inviting, this two-story home is designed for comfortable living and entertaining. The main floor features a large, sun-filled living room, a functional kitchen with a spacious pantry, and a good-sized dining area with sliding doors to the private backyard. A convenient two-piece bathroom completes the level. Step outside to a good-sized, fully fenced backyard featuring a large deck—perfect for summer gatherings and outdoor living. Upstairs, the primary suite is a comfortable retreat with plenty of natural light, a walk-in closet, a private four-piece ensuite, and a balcony to enjoy a morning coffee or evening breeze. Two additional generously sized bedrooms and a full four-piece bathroom provide plenty of space for family or guests. The partially finished basement adds versatility with a family room, a fourth bedroom, a rough-in for an additional bathroom and laundry hookups. Car enthusiasts and hobbyists will appreciate the oversized “heated garage, complete with 220 power, offering plenty of space for vehicles, tools, and projects.
