Tucked into family-friendly Kings Heights and walkable to both the local elementary school and the Francophone school, this bright, sunny home is built for real life with a growing family &mdash; and a layout that gives everyone their own space. The main floor features 9' ceilings, a dedicated office, and an open, inviting design with large windows, a gas fireplace, and a truly spacious living and dining area made for gathering. The heart of the home is the beautiful white kitchen (updated in recent years) with a gas stove, timeless finishes, and plenty of room to cook and connect. You'll also appreciate the updated main-floor flooring completed within the last few years. Upstairs, you'll find four generously sized bedrooms plus a bonus room &mdash; with great-sized rooms throughout, perfect for kids, guests, and everyday life. Downstairs, the fully developed basement adds even more flexibility with two additional bedrooms, a full bathroom, and a comfortable family room/living area &mdash; ideal for teens, extended family, or a private guest space. And for added peace of mind, the home also features a new roof (2025). If you've been searching for a bright, well-cared-for home in a location where the kids can walk to school every day, this one checks all the boxes.
