Welcome to this beautifully renovated antique-style home, rebuilt from the studs up while maintaining its timeless charm. Located in the heart of Innisfail's welcoming community, this home sits just one block from downtown shops, cafes, and amenities—offering both convenience and small-town warmth. The main home features 2 bedrooms up and 2 bedroom down, plus oversized room that can be used as a bedroom or has been pre wired and sound proofed for use as a theatre room. Relax in the spa-like bathroom with Bluetooth smart lighting on the main floor, or head down to the large bathroom down. Renovations were completed with quality in mind, including new appliances (2023/2024) with select Samsung smart features, new architectural shingles, a 50-gallon hot water tank (2023), all-new plumbing to the city line, new electrical, furnace, and ducting, and new windows throughout (excluding the front porch). Engineered hardwood flooring runs through the main floor and suite. A gas line is roughed in for a BBQ, awaiting final exterior connection. With mixed zoning, incredible upgrades, and a prime location in one of Innisfail's most charming neighborhoods, this unique property is

a must-see.
