Welcome to this beautifully renovated home offering space, light, and an unbeatable location. The main floor features a bright open-concept design centered around a custom-built kitchen with a large island and abundant storage — the true focal point of the home. The dining area is enhanced by a large side window, while the living room overlooks serene green space at the front, creating a peaceful and inviting setting. A welcoming front foyer with coat closet adds convenience, and a discreet rear foyer off the kitchen provides easy access to the backyard. Oversized windows throughout flood the main level with natural light. Upstairs, the spacious primary bedroom comfortably accommodates a king-sized bed and includes a private 2-piece ensuite. Two additional bedrooms share a beautifully renovated full bathroom complete with a custom vanity. The lower level features a generous family room with a cozy corner fireplace and large windows that make the space feel bright and open. An additional bedroom and a full bathroom — both with large windows — give this level the feel of above-grade living. The basement offers yet another large bedroom plus a mechanical room with ample storage space or potential for a craft or hobby area. Fully renovated throughout, the home showcases durable vinyl plank flooring for easy maintenance and modern living. Step outside to a large backyard with a single garage and plenty of room to enjoy outdoor living. Ideally located directly across from the Botanical Gardens and within walking distance to Bow River pathways, an off-leash dog park, and the Silver Springs shopping plaza — this home perfectly combines comfort, functionality, and an exceptional lifestyle location.
