Build your full-time home or weekend escape in Cottage Club, a thoughtfully planned lakeside community set against big mountain views and the shores of Ghost Lake. This serviced corner lot is offered at \$309,000, and comes with professionally drawn home plans ready for the next owner. The design features a 3-bedroom, 2.5-bath layout with an open-concept main living area, vaulted ceiling, and a double garage, a great head start for buyers who want to start building this year. Cottage Club is built for four-season enjoyment, and the clubhouse is a standout. Enjoy inviting social spaces, a gym, an indoor pool, and an outdoor hot tub for those end of the day soaks. When warmer months return, the community comes alive with lake living and outdoor amenities.
