Inside, you’re greeted by gleaming hardwood floors, 9-ft ceilings, fresh paint, and an open-concept layout. The main level features a formal dining room and a bright living room with a cozy corner gas fireplace. Large windows capture tranquil views of the pond, bringing in an abundance of natural light. The beautifully updated kitchen is a chef’s dream, with a large center island topped in quartz, stainless steel appliances, maple cabinetry, a corner pantry, and a spacious bumped-out eating nook. Step through the patio doors onto a massive full-length deck with aluminum railing, perfect for morning coffee or evening sunsets, all while enjoying exceptional privacy. Upstairs, you’ll find a generous bonus room, a luxurious primary retreat with a walk-in closet and full ensuite, plus two additional bedrooms and another full bathroom. The fully finished walkout basement is designed for comfort and durability, featuring a premium Dricore subfloor system that provides a moisture barrier, insulation, and added warmth underfoot. The lower level includes a large rec/family/games area, a wet bar, a second cozy fireplace, a fourth bedroom, and a full bathroom—perfect for guests or extended family. Outside, enjoy a spacious, beautifully landscaped backyard with a storage shed, plus an oversized double attached garage.
