The fantastic kitchen features quartz countertops, abundant cabinetry, a peninsula island with eating bar, pendant lighting, LED pot lights, and a large window over the sink create a bright and inspiring space for cooking and gathering. The adjoining great room flows seamlessly, anchored by a gas fireplace with full tile surround — a warm and inviting focal point for cozy evenings. Upstairs, the "king-sized" primary retreat feels like a private sanctuary, complete with vaulted ceilings, a large walk-in closet, and a full ensuite featuring a relaxing soaker tub and separate shower. An additional side window enhances the sense of space and light. Two more well-proportioned bedrooms complete the upper level, offering flexibility for family & guests.
