*****Investment Alert***** This home is rented up and down for until March 2026 and could be positive cashflow depending on your situation. Located in the growing community of Wolf Willow, this home offers offering thoughtful design, modern finishes, and the added benefit of a legal 1-bedroom basement suite with a tenant already in place for the next year — a fantastic mortgage helper from day one. From the moment you walk in, the home feels bright and open. The main floor open layout was designed to create a comfortable flow between the living room, dining area, and kitchen. The kitchen is well appointed with quartz countertops, stainless steel appliances, generous cabinetry, and a large central island, making it a great space for both everyday living and entertaining. Upstairs you'll find a spacious primary bedroom with walk-in closet and private ensuite, along with two additional bedrooms, a full bathroom, and a bonus room perfect for family movie nights or a home office. The convenience of upstairs laundry completes the upper level. The developed legal basement suite offers one bedroom, a full kitchen, living area, and flex room. With a tenant secured for the next year, this suite provides reliable income that can significantly offset your monthly mortgage. Outside, the home sits on a deep lot with a west-facing backyard and no neighbours directly behind, offering a level of privacy that is increasingly rare in newer communities. A double detached garage and central air conditioning add to the comfort and practicality of the home. The location is another major highlight. Blue Devil Golf Course is just two minutes away, while Fish Creek Park and the Bow River pathway system are only five minutes from your door, offering incredible access to nature, walking, and cycling. There is also a large off-leash dog park just down the street, making this an ideal area for pet

owners. Wolf Willow continues to grow with new shops, services, and everyday amenities developing just minutes away, making daily living easy while still enjoying the natural surroundings the community is known for. This is a rare opportunity to own a modern home with built-in income, strong future growth potential, and one of Calgary's best access points to outdoor recreation.
