Exceptional QUAD AND DOUBLE GARAGE (yes, both) and parking pad makes this Stonegate property a rare find. This fully developed 2-storey home offers over 2,900 sq ft of living space, 4 bedrooms and 3.5 bathrooms, plus an impressive garage setup featuring an attached double garage and a heated, insulated detached quad garage 27' by 30' for 760 sq ft! With back lane access and parking for up to 8 vehicles, this property is ideal for buyers needing space for vehicles, hobbies, or workshop use. The main floor offers a functional layout with a comfortable living room featuring a gas fireplace, a bright kitchen with island, pantry and plenty of workspace, and convenient main floor laundry. Upstairs you'll find three bedrooms including the spacious primary suite with walk-in closet and ensuite. The fully developed basement includes a fourth bedroom, additional living space and a second gas fireplace, providing flexibility for family, guests or recreation. Step outside to a large pie-shaped lot backing onto no neighbours, complete with a fenced yard, deck, fire pit, dog run and storage shed. Important mechanical updates include shingles approximately 7 years old, furnace approximately 15 years old with a new blower motor, and two hot water tanks approximately 5 years old. Central air conditioning adds comfort during the summer months. Located close to parks, schools, shopping and everyday amenities, this property combines a family-friendly location with the kind of garage and parking capacity that is difficult to find in Airdrie.
