OPEN HOUSE SATURDAY MARCH 21 (12:00-2:30pm). RARELY does a property of this calibre hit the market! This is the definitive "Mechanic's Dream"—a meticulously upgraded executive home paired with a custom-built, professional-grade workshop. Situated on a quiet street in the heart of McKenzie Towne, this property offers a sophisticated lifestyle for the serious enthusiast who refuses to compromise on quality or function. The Crown Jewel: The Elite Workshop (28' x 26') Engineered to a standard that far exceeds typical residential builds, this fully permitted detached garage is a masterpiece of industrial function: Industrial Specs: 14-foot ceilings and 6-inch high-PSI reinforced steel concrete floors designed for heavy equipment and long-term durability. The garage does have a dedicated heater for year-round comfort. Pro-Growth Design: Roughed in for a second overhead door with a pre-installed lintel, allowing for an effortless transition to a true triple-door configuration. Ready to Work: Totally kitted out, professionally finished, and fully equipped for automotive restoration, storage, or precision engineering. Executive Living & Smart Technology The residence reflects a mirroring commitment to quality, featuring 4 bedrooms, 3.5 bathrooms, and a suite of high-end mechanical upgrades: Whole-Home Audio: Enjoy your favourite playlists via integrated speakers throughout the home, creating the perfect ambiance for entertaining. Superior Mechanicals: Equipped with a new on-demand hot water tank, a water softener, and Central AC for total climate control and efficiency. Soaring Aesthetics: The main floor is defined by expansive ceilings and massive windows that allow Southeast and West light to flood the open-concept living room and kitchen. Chef's Kitchen: Features gleaming granite countertops, a central island, and a sink-front

window perfectly positioned to watch the kids play in the yard while you work. **Upper Level Retreat & Sunshine Balcony** The upper floor offers a versatile bonus room that opens onto a private upper front porch (sunshine patio)—one of three dedicated outdoor seating areas and the ultimate spot for your morning coffee with a view. The massive primary suite is a true getaway, complete with a spa-like 5-piece ensuite. Two additional generous bedrooms ensure plenty of space for family or guests. **Outdoor Sanctuary: Three Zones for Relaxation** This home is designed for those who love the outdoors, offering three distinct areas to sit and enjoy the fresh air: **The Front Porch:** A classic, welcoming space perfect for greeting neighbour and enjoying the quiet street atmosphere. **The Upper Front Porch:** A private elevated retreat located off the bonus room for quiet, sun-drenched moments. **The Backyard Oasis:** A low-maintenance sanctuary featuring a large deck, a custom pergola, and a brand-new stamped concrete patio. Whether you’re hosting a large BBQ or enjoying a quiet evening, this backyard is built for high-end entertaining.
