Enter a home that seamlessly blends spacious, sunny interiors with relaxing outdoor living. Custom decor, privacy, spa-inspired features, and beautiful perimeter gardens provide a standout choice for anyone seeking a functional, yet luxurious sanctuary in the heart of Cranston. This immaculate 4-bedroom, 2.5-bathroom bungalow, with nearly 2900 sqft of developed living area is perfectly situated on a spacious 6675 sqft pie lot just steps from Cranston Ridge, mountain views and the Bow River pathways. Designed throughout for comfort and functionality, you'll first step up to a generous formal dining area or versatile front room. The main living space features rich Brazilian cherry hardwood flooring and an open-concept layout that flows into a finely appointed kitchen. This chef-inspired space is anchored by updated granite countertops and a massive island, complemented by premium Bosch appliances and a spacious corner pantry. The adjacent eating area and living room includes a cozy gas fireplace, walking directly out to an elevated deck - two steps down to a meticulously manicured and landscaped back yard. The primary bedroom suite offers ample space for a king-sized bed, with a large walk-in closet, and a spacious recently-renovated 5-piece ensuite complete with a dual vanity and jetted tub. A second bedroom on the main floor provides the perfect layout for a dedicated home office or den. Practicality is found in the tiled main landing, which includes a 2-piece powder room and a large laundry room, entering from the attached double garage featuring a new garage door. The fully developed lower level adds another 1266 sqft of developed living space, starting with a massive recreation room, highlighted by new marble floor to ceiling fireplace and a convenient wet bar for entertaining or peaceful relaxation. This level includes a sunny large third

bedroom that shares a convenient 4-piece Jack and Jill bathroom, with a functional 4th bedroom space. The bathroom features a custom Finnish cedar wet sauna, providing a full spa experience. Outdoor living is the true highlight, featuring a large private yard anchored by a spacious deck that steps down to a custom stone patio, all surrounded by beautiful perimeter gardens, including apple and other fruit trees and flowering bushes. The expansive pie lot also allows room for a future RV pad alongside the house and includes a spacious shed. Located close to the City pathway system, schools, and Cranston's community amenities, your next home offers a priceless combination of light, space and quality finish in one of Cranston's most desirable locations.
