Originally a full duplex, this property has been legally subdivided into two semi-detached titles, giving you the privacy and ownership structure of a standalone home — with no condo fees. The main floor offers 2 bedrooms and 1 full bathroom across approximately 907 sq ft of bright, comfortable living space. The fully finished basement has been developed as a legal secondary suite approximately 536 sq ft and is thoughtfully laid out with 1 bedroom, a spacious family room, a 3-piece bathroom, a kitchenette, and the added convenience of in-suite laundry — everything a tenant needs for comfortable, self-contained living. With a private entrance, this legal suite is a true mortgage helper that can generate rental income from day one and meaningfully offset your monthly carrying costs. Whether you're a first-time buyer looking to enter the market with built-in income support, or an investor seeking a turn-key revenue property, this home delivers on both fronts.
