Backing onto expansive green space with no rear neighbours and unobstructed views, this fully finished walkout in Kings Heights offers over 3,100 sq ft of developed living space, with 5 bedrooms and 3.5 bathrooms, designed for those who value space, flexibility, and a setting that's becoming increasingly hard to find. Tucked into a quiet close, this home combines a bright, open layout with a location that truly sets it apart. The south-facing main floor features 9' ceilings, hardwood flooring, and a seamless flow between the kitchen, dining, and living areas. The kitchen is thoughtfully designed with a large island, quartz countertops, stainless steel appliances, and a walk-through pantry connecting directly to the mudroom and heated double attached garage. A main floor office with French doors creates a dedicated workspace, while upstairs, the bonus room provides additional living space. The primary suite is a true retreat, featuring a beautifully appointed 5-piece ensuite with a soaker tub and separate shower. Two additional generously sized bedrooms, both with walk-in closets, along with upper-floor laundry, complete the level. The fully finished walkout basement adds even more versatility, offering two additional bedrooms, a 3-piece bathroom, ample storage, and direct access to the backyard, ideal for guests, teenagers, or multi-generational living. The landscaped and fenced backyard opens directly onto wide green space with uninterrupted views and access to nearby pathways. Additional features include Gemstone exterior lighting, a heated garage, and excellent storage throughout. Located close to schools, parks, and everyday amenities, this is a well-rounded home in one of Airdrie's most established communities.
