The main floor features a bright, open design with south-facing windows and a spacious living area that flows into a full-sized dining space and kitchen. The kitchen includes quartz countertops, stainless steel appliances, a large island, and a separate walk-in pantry. A rear mudroom with closet provides practical access to the backyard and garage. The primary includes a walk-in closet and 3-piece ensuite, while the upper level also offers a full bathroom and convenient laundry. The basement is unfinished with a separate side entrance and plumbing rough-ins already in place. The wide, open layout provides flexibility for future development or suite potential (subject to city approval). The spacious backyard is designed for low maintenance and includes a pathway to the double detached garage.
