This clean, meticulously maintained original-owner home offers a rare chance to move into one of Airdrie's most sought-after locations. Featuring 3 bedrooms and 2.5 baths, the layout is highlighted by a modern, updated kitchen with stainless steel appliances and ample workspace. The "hidden" value is in the mechanicals: newer windows, high-efficiency furnace with electronic air filtration, tankless hot water, and central A/C. Relax in the main bath's soaker tub or cozy up by the stone-surround gas fireplace. The outdoor living space is equally impressive with a large composite deck (natural gas BBQ and fire table included!), a storage shed, and direct access to walking paths. Walking distance to both Public and Catholic schools, Genesis Place, and shopping. An investment in quality and the lifestyle your family deserves. Don't miss out—contact your REALTOR today.
