Inclusions: back door bench

This well-maintained Cambridge-built home is one of the most walkable semi-detached properties in Coventry Hills. It offers over 1,970 sqft of developed living space with no condo fees and a rare triple-vehicle parking pad (8.10 m width). The interior features new luxury vinyl plank flooring, fresh paint throughout, and a modern quartz kitchen updated with a three-person island, soft-close cabinetry and fresh cabinet faces (2021), a walk-in pantry, and a 2023 stainless steel appliance refresh. Upstairs, two spacious primary bedrooms each include private ensuites and walk-in closets, accented by custom feature walls and wainscoting. The fully finished lower level adds versatility with a large full bath featuring a jetted soaker tub and floor-to-ceiling tile. A new roof was installed in 2024. The sunny, south-facing backyard is fully fenced and optimized for low maintenance with an extra-wide deck, turf dog run, patio stones, and a storage shed. Ideally situated on a quiet street with no rear neighbours, the property offers direct access to a walking path leading to Coventry shopping plaza and provides quick access to Stoney Trail, top-tier schools, and the Calgary International Airport within 9 kms.
