Perched on one of the most sought-after streets in Edgemont, this exceptional ridge home is truly all about the views—offering sweeping, unobstructed panoramas of the city skyline, valley + mountains. Natural light fills the home, with the stunning views showcased throughout the main living areas + from the primary bedroom. The home features an excellent floor plan + is ready for updates + redecorating, presenting incredible potential in a premier location. The main floor welcomes you with a grand two-storey entrance + living room, flowing into a spacious dining area perfect for entertaining both with newer carpets. At the back of the home, an open-concept layout includes a large kitchen with stainless steel appliances, an oversized pantry + a charming breakfast nook with serene views, all connecting to the cozy family room with fireplace. A private office + main floor laundry complete this level with main floor Air Conditioning. Upstairs offers 4 spacious bedrooms + a versatile flex room. The primary suite is substantial in size, featuring a peaceful sitting area designed to take in the spectacular views. The walk-out lower level offers a huge rec room with wood-burning fireplace + wet bar. Neutral paint throughout, engineered hardwood on the main floor + hardwood upstairs, with carpeting in excellent condition+ newer berber carpet in the walk out level. Double attached garage with newer door and opener. Ideally located near the Edgemont Community Centre, all levels of schools + shopping
