Welcome to your new home, where modern style meets everyday comfort. This great sized condo offers two spacious bedrooms and two beautifully appointed bathrooms, thoughtfully designed with privacy and convenience in mind. Each large bedroom features its own walk-in closet and direct access to a bathroom, creating the perfect retreat for homeowners and guests alike. The contemporary kitchen showcases sleek quartz countertops, stainless steel appliances, and a seamless open-concept layout that flows effortlessly into the bright living and dining area. Step outside onto the balcony—an ideal space to unwind, entertain, or enjoy your morning coffee. Additional highlights include the convenience of in-suite laundry, an underground heated and titled parking stall for added comfort during the winter months, and access to premium building amenities including a fitness centre and inviting resident lounge. Perfectly situated near shopping, parks, and scenic walking trails, this exceptional home offers a lifestyle of convenience, comfort, and connection right at your doorstep.
