Located in the thriving, established community of Morningside. You're steps from excellent schools, parks, and walking paths. Shopping, dining, and everyday conveniences are just minutes away. With easy access to major roadways that get you anywhere you need to go, as well as quick access to Calgary. This is suburban living at its finest. Peaceful, welcoming, and beautifully connected. This stunning custom-built Shane home is a five-bedroom residence with a meticulously designed living space on a generous pie-shaped lot in a quiet cul-de-sac. Step into a magnificent foyer with gleaming hardwood floors that set the tone throughout. The main floor showcases a spacious living room, dining room, and family room, flowing seamlessly into the kitchen with beautiful granite countertops. The kitchen island is a true showstopper, featuring stunning gray stonework with integrated lighting and display shelving. You'll also find a breakfast nook overlooking the backyard. A main floor laundry, an office/ flex room, and a half bathroom complete this level. A custom archway leads you downstairs into a professionally developed basement bursting with potential. The massive recreational area is perfect for entertaining, complete with a wet bar featuring beautiful stonework detailing. Two fireplaces add warmth and ambiance throughout, whilst a full bathroom and a bedroom provide both comfort and convenience. Wrought iron, wood railings and stair lighting guide you to the second storey, where four large bedrooms await with freshly laid carpet. The luxurious master bedroom features a private nook area and an absolutely beautiful en-suite for your ultimate retreat. Appliances, AC units, Hot water tank, and Furnaces replaced (2023-2026). This ensures superior climate control and efficiency throughout. Outside, a huge, freshly painted deck overlooks the expansive backyard, ideal

for entertaining and family gatherings. Extensive landscaping includes a beautiful rock garden with a fire pit. The double attached garage provides ample storage and convenience. UPGRADES INCLUDE: Stonework kitchen island, wet bar with stonework wall and bar. Stonework was added to the wall of the expanded large deck. Extensive landscaping, which includes the firepit rock garden area and 2 fireplaces. Built-in sliding doors to the library/flex room downstairs.
