Welcome home to this bright and functional 3-bedroom home with 1.5 bathrooms and so much room to grow! The main floor offers a bright east-facing kitchen and dining area, along with a sunny west-facing living room overlooking the fully fenced west backyard — perfect for enjoying afternoon and evening sun. The kitchen features modern stainless steel appliances, plenty of counter space, a pantry, and fresh paint in select areas. Upstairs, you’ll find three spacious bedrooms including a primary bedroom with a large closet and ceiling fan for added comfort. The lower level adds even more flexibility with a recreation room, laundry area with washer and dryer, and a convenient 2-piece bathroom already roughed-in for a future shower. The bathroom rough in is thoughtfully configured and partially separated with drywall, making it an excellent opportunity to create a full bathroom or leave it as a the half bathroom and plan to add additional functionality over time. A fantastic opportunity for first-time buyers, young families, or anyone looking for a well-laid-out home with great potential inside and out!
