This thoughtfully designed home sits elevated above ground level and welcomes you with a warm and inviting atmosphere, highlighted by beautiful hardwood flooring throughout the kitchen, living, and dining areas, complemented by a striking corner gas fireplace in the living room that serves as a perfect focal point for relaxing Alberta evenings. It creates an elegant ambiance whether you're entertaining guests or enjoying a quiet night in. The living area flows seamlessly to your private patio through direct access, where the sunny southwest exposure floods the space with abundant natural light and warmth throughout the day, enhancing the open and airy feel while offering beautiful views overlooking a fenced grass area on the property, accessible and shared only with the unit next door — an ideal extension of your living space for morning coffee, evening unwinding, or simply soaking in the greenery and peaceful surroundings that provide a rare sense of connection to nature in a condominium setting. Both bedrooms are generously proportioned, offering flexibility for a primary retreat, guest accommodations, or even a home office, while the two full bathrooms ensure convenience and comfort for daily living.
