The Maclaren opens into a welcoming foyer and front den before transitioning into a spacious main living area. The main floor is finished with upgraded 8' doors and luxury vinyl plank flooring throughout . The kitchen wows with a wealth of full-height cabinets, stainless steel chimney hood fan and an oversized quartz island and breakfast bar that connects seamlessly to the dining and great room with fireplace. A pantry, powder room, and mudroom enhance daily functionality. Upstairs, the primary bedroom is a true sanctuary and includes a walk-in closet and private ensuite with dual sinks and glass shower enclosure, offering comfort and privacy. The upstairs laundry room and main bathroom are centrally located. 3 additional sizable bedrooms give everyone in the family a place to call their own. A separate side entrance and 9' foundation have been added for the benefit of any future basement development plans. A sunshine basement is an added bonus of natural light!
