On the other side of the dining room is the living room that has another door leading to the deck and yard. Down the hall are three big bedrooms. Situated on a corner lot, this home has one of the biggest yards in the community and is across the street from one of the park playgrounds. There are two sheds, one is set up as a workshop. This home needs some work but has plenty of potential. Greenwood Village is a family friendly community with easy access to 16th Avenue and Stoney Trail. Transit and school buses have routes through the park and there are plenty of amenities within walking distance with the West Calgary Farmer's Market and Greenwich complex. Lot fee is \$1,375/month for new buyers and includes water, sewer, waste and recycling. Pet restrictions are two pets per home; dogs must be less than 35 lbs when fully grown.
