Located in Cityscape, one of northeast Calgary's fastest-growing communities, this bright 3rd-floor unit offers an outstanding opportunity for first-time buyers and investors alike. The unit captures exceptional natural light through expansive windows and a south-facing balcony, with elegant LVP flooring running throughout the open-concept layout. The contemporary kitchen features quartz countertops and flows seamlessly into the living and dining area, creating a space that is both functional and refined. The primary bedroom includes a private 3-piece ensuite, while a generous second bedroom, a dedicated office or flex space, a 4-piece main bathroom, and in-suite laundry complete a well-thought-out floorplan. Positioned within 15 minutes of CrossIron Mills, Costco, YYC Airport, Stoney Trail, and Métis Trail, the location offers a level of convenience that is difficult to match at this price point. Whether you are purchasing your first home or adding a tenant-occupied asset to your portfolio, this is a well-appointed unit in a community with strong long-term appeal.
