Welcome to a thoughtfully designed inner-city infill inspired by Scandinavian simplicity, where timeless design and everyday comfort come together. Warm curated finishes and a clean, functional layout create a home that feels both modern and inviting. The main level features a cohesive kitchen design and open living spaces ideal for everyday living and entertaining. Upstairs, the primary retreat offers a relaxing escape with a generously sized freestanding soaker tub, heated ensuite floors, and a spa-inspired steam shower. A fully developed basement provides flexible space for family, guests, or a home office. An EV-ready detached garage adds future-ready convenience for modern living. Located in vibrant Montgomery NW, this home is just steps from Montalban Park, Shouldice Park, and the Bow River pathway system, with Market Mall, the University District, hospitals, and downtown Calgary all within easy reach.
