Welcome to Unit 401 at 617 56 Avenue SW! This top-floor, end-unit, south facing condo offers 812 sq. ft. of thoughtfully designed living space with 2 bedrooms, 1 full bathroom, and a private 137 sq. ft. balcony. The excellent open-concept layout is filled with natural light thanks to its desirable end-unit location, featuring two windows in the dining and living areas that provide significantly more brightness than many interior units in the building. Pride of ownership is evident throughout, as the home has been exceptionally well maintained and remains in great condition. The well-managed building is currently undergoing a proactive major exterior rehabilitation and structural modernization project under full engineering oversight. Buyers can enjoy peace of mind knowing the building envelope, entryways, and stairwells are being comprehensively renewed, creating long-term value and confidence in ownership. Truly a fantastic opportunity to secure a home in an updated building with the heavy lifting already underway. The location is hard to beat. Just a short walk to Chinook CTrain Station, Chinook Centre, restaurants, grocery stores, and everyday amenities, this home offers exceptional convenience for both owners and tenants. Enjoy quick access to downtown, major transit routes, Macleod Trail, Glenmore Trail, and the city's pathway network, making commuting and getting around Calgary simple and efficient. Whether you're looking for a comfortable home or a smart investment, this central location delivers outstanding accessibility and long-term appeal.
