The Armstrong is a large single-family detached home at 2,864 sq ft, four bedrooms upstairs and 2 and a half bathrooms. This gorgeous split-level home features a large bonus room between the main and second floor, with 14-foot ceilings and big bright windows. All other ceilings are 9 feet, including the basement. On the main floor, you will find a convenient enclosed office space, a walk-in pantry, and a gas fireplace in the living room. The open-concept design allows for a beautiful and natural flow between the entryway, kitchen, dining room and living room. The primary bedroom on the second floor features a beautiful ensuite with a bath oasis and glass shower enclosure. Other features in this home include quartz countertops throughout, upgraded railing, as well as pot lights and 8-foot doors on the main floor. This home has a separate side door entry for any future basement developments.
