Location, location, location. Imagine having the sprawling multi use natural escape of Edworthy park out your front door. This could be a reality at 4936 Worchester Drive SW. Experience the outstanding trails, or relax and enjoy the riverfront access. This large home has a unique layout with the upper level consisting of 2 bedrooms, a 3 pc bathroom, and a play or sitting area/ bonus room. The main level has an open dinning/living room area, updated kitchen, primary bedroom with ensuite and walk-in closet, and a powder room. The kitchen looks out onto a fenced back yard with two car garage. Big west facing windows allow you to experience the most spectacular sunsets. The fully finished basement includes a large living/games room and area with cupboards and sink. There is an additional bedroom, bathroom and walk in closet. Newer vinyl plank flooring in basement was installed 3 years ago. This lower level could be ideal for room mates, or older family members wanting their own space. Hot water tank was replaced 2 years ago. High end acrylic stucco exterior. Easy and quick access to both the mountains and downtown. Please view video. Detailed floor plan at the end of the photos!
