This 3-bedroom end-unit townhome is arguably the best location in the complex. Facing south onto the courtyard, it has great views and conveniently sides onto visitor parking. The double tandem garage measures nearly 40 feet long by 14 feet across, making it excellent for both parking and storage. Inside, you'll appreciate the like-new condition of this home. Meticulously cared for, it is move-in ready. The kitchen features modern cabinets, quality stainless steel appliances and a quartz peninsula for casual meals. A major bonus of this end unit is the additional windows along the side that bring in so much natural light. The large dining and living spaces open onto each other, allowing for versatile furniture placement. The balcony off the living room is a lovely place to enjoy a morning coffee or an evening sunset. Tucked away in a private corner is a cozy office nook with a window. Upstairs, you'll discover the primary suite with a walk-in closet and a 3-piece ensuite. The two additional bedrooms are amply sized with large closets (including one with a walk-in). A 4-piece bath and laundry complete this level. This is an excellent community, walking distance to CW Perry, Ralph McCall and Our Lady Queen of Peace schools. There are numerous pathways and ponds to explore in this quiet community. This is a pet-friendly complex, with condo fees of \$321/month.
