The main floor features an office, full bathroom, open living space and a beautiful kitchen with a separate spice kitchen. Engineered hardwood flooring runs throughout the main and upper levels. Upstairs you'll find three bedrooms and a bonus room, with walk-in closets in every bedroom, including an exceptionally spacious walk-in closet in the primary suite. The walkout basement, complete with a separate side entrance, offers future lower suite potential (subject to City approval). Located close to parks, shopping, CrossIron Mills, Calgary International Airport and major roadways, this is a home that's hard to duplicate.
