This air-conditioned home has been lovingly maintained and enjoyed by its current owner for many years and is ready for its next buyer. Ideally located on the second floor near the library and meeting room, it is easily reached by elevator or the beautiful open staircase in the grand hall. The thoughtful floor plan features a welcoming foyer with space for a bench or console, plus a large closet and broom closet for added organization. The spacious kitchen offers a walk-in pantry and breakfast bar and opens to the dining area and bright living room with a cozy fireplace. The large bedroom includes a walk-in closet and room for additional dressers or a desk. A four-piece bathroom with a soaker tub, plus an in-suite laundry room including recently updated wash dryer combo machine and space for cabinets, a freezer, or extra storage, adds everyday convenience. Enjoy the private covered balcony with pleasant views of mature trees and lilacs below. Also included is one titled, heated underground parking stall with a large, assigned storage unit. This 40+ complex creates the perfect environment for the discerning buyer who values their own space and privacy, but desires a welcoming social life. Amenities include a heated indoor saltwater pool, hot tub, steam room, craft room, exercise room, billiard room, movie theatre, library, party room, bowling alley, woodworking shop, and car wash bay. Amenities in building 1000 are accessible year-round through the heated underground walkway on Level P2. The complex also offers guest suites for overnight visitors and ample visitor parking. Condo fees include electricity, heat, and water, making budgeting simple. Conveniently located minutes from shopping, public transportation, the recreation centre, Deerfoot Trail, and the airport.
