Welcome to this extensively upgraded 2 storey home in the sought-after community of Rockland Park, offering over 2600 sq. ft. of developed space (includes a fully legalized one-bedroom basement suite). The bright, open-concept main floor is perfect for everyday living and entertaining, featuring a spacious living room, a stylish gourmet kitchen with built-in stainless steel appliances, including a dual door "bar fridge", gas cooktop, plus a modern hood fan! High-end professional draperies, neutral paint tones, plus elegant lighting features all create a finished home that could be featured in "Better Homes" - such designer's finesse! In addition to the large living room / gourmet kitchen, the dedicated dining area, versatile office/den, and convenient 2-piece powder room all blend together to make an "impressive" main level! Ascend to the upper level bonus room, conveniently located in the centre - creating a separation between the bedrooms. The primary master retreat exudes luxury, with its large size and generous walk-in closet, plus its "spa-like" ensuite, complete with dual sinks on quartz counters, plus a custom-made shower with a built-in niche. The second and third bedrooms are generously scaled and are adjacent to a 4 piece full bathroom. Professional "light-blocking" blinds in all bedrooms! The professionally developed legal basement suite (*completed by builder) is ideal for multigenerational living or rental income, complete with one bedroom, a full bathroom, private laundry, and its own furnace. A second furnace services the main and upper levels, providing independent comfort and efficiency. Step outside to enjoy the low-maintenance composite front porch - a perfect area to relax! The expansive and sunny rear yard features a vinyl deck with a privacy wall, creating the perfect outdoor space for relaxing or entertaining. Built-in "Trim Lights" - for

Christmas or for all year long! The fully insulated and drywalled detached garage adds year-round convenience and excellent storage. Living in Rockland Park means enjoying exclusive access to The Lodge, a spectacular 4-acre residents-only recreation facility featuring a 25-metre outdoor pool, year-round hot tub, fitness spaces, pickleball courts, a skate park, adventure playground, and scenic walking trails. With exceptional upgrades, a legal suite, and outstanding community amenities, this move-in-ready home offers an incredible lifestyle and investment opportunity.
