**** Open House Saturday July 25th 2-4pm **** Welcome to 43 Hotchkiss Row! Sitting on a rare pie lot in the heart of Hotchkiss, this beautiful home offers 2,276 sq. ft. above grade plus a fully finished basement, for over 3,000 sq. ft. of total developed living space designed for growing families who want room to breathe. Step inside to a bright, open-concept main floor flooded with natural light, where the chef-inspired kitchen has been thoughtfully upgraded with extended upper and lower cabinetry, an executive kitchen package, and a smart appliance layout, giving you serious counter space and storage most builds simply don't offer, while a custom wall feature detail in the great room adds a designer touch that elevates the whole main level. Upstairs, four spacious bedrooms include a private primary retreat with a fully upgraded ensuite featuring a tiled shower to the ceiling, glass shelving, and a sleek glass barn-door slider, plus a picture window positioned above the soaker tub for a spa-like feel, while Bedroom #3 connects to a Jack & Jill bathroom, ideal for kids or guests. The fully developed basement adds even more value, with 9-foot ceilings, a dedicated bedroom, a full bathroom, and a bright rec space, all finished to the same quality standard as the rest of the home, and outside, you'll find a brand new rear deck and a private pie-shaped lot with room to entertain. This is a rare opportunity to own a nearly-new home in one of Calgary's most desirable growing communities, without the wait, and with thousands in upgrades already done for you.
