The kitchen features a remarkable 16-foot granite island, custom cabinetry, premium appliances, including a dual-fuel Samsung range, Bosch Wi-Fi dishwasher, Panasonic microwave, & Whirlpool refrigerator with a versatile convertible freezer system. Matching custom-built storage continues into the mudroom & front entry, creating a seamless and upscale finish throughout. The extensive interior upgrades continue with brand-new commercial-grade luxury vinyl plank flooring, premium broadloom in the upper bedrooms, refinished flat ceilings, triple-pane windows, new exterior doors, upgraded attic insulation, & the complete replacement of all Poly-B plumbing. Custom blinds have been installed throughout many of the home's principal rooms. Custom floor-to-ceiling built-in bookcases enhance both the upper-level office/sitting room and the main-floor office or craft room. The fully finished basement is designed for entertaining, featuring a

stylish new wet bar complete with a sink, wine fridge, and beverage fridge. A professional-size pool table may also be available for inclusion. Additional premium features include a Trane high-efficiency furnace, Trane central air conditioning, Rinnai continuous hot water system, Kinetico drinking water filtration and whole-home water softener systems, a radon mitigation system, low-flush toilets throughout, and Telus fibre optic connectivity.
