Welcome Home - Freshly painted from Top to Bottom —a bright and inviting two-storey home offering a functional layout, comfortable living spaces and an oversized single detached garage. Mature trees and established landscaping create a welcoming first impression. Inside, the spacious front living room is filled with natural light from large bay windows and features warm hardwood flooring. The eat-in kitchen offers plenty of cabinetry and counter space, a generous dining area and direct access to the rear deck—perfect for everyday meals and summer entertaining. A convenient main-floor powder room and laundry area complete this level. Upstairs, you'll find three well-proportioned bedrooms, including a comfortable primary retreat with walk-in closet, along with a full four-piece bathroom. The developed lower level adds valuable living space with a large, flexible recreation room that can easily accommodate a media area, playroom, home office or gym, plus another large bedroom (window does not meet egress). Outside, enjoy a fully fenced backyard with room for children, pets and gardening, as well as a raised deck for relaxing or hosting friends. The oversized single garage provides excellent parking, workspace and storage, with convenient access from the paved back alley. A practical and welcoming home with space to live, grow and make your own.
